# Aspire *update*

HELPING PEOPLE CLIMB THE LADDER IN LOGISTICS, TRANSPORT AND OPERATIONS...

## Manager's message: Fundraising required!

In the last update we noted the success Aspire was experiencing in terms of growth in receiving applications and gifting awards to those that most need our help. Since that update, Aspire has helped so many people with funding that it has had to put a hold on applications for non-CILT awards for this financial period (to end September 2013).

There is still a range of CILT-gifted qualifications available to applicants this year.

This year's CILT(UK) Annual Logistics Conference and Dinner was a great success for Aspire, with many prizes donated to the cause

from organisations such as Eurostar, Richton Consulting and the Marriott Forest of Arden Hotel.

The raffle and silent auction raised a grand total of £2,766—thank you to all those that donated prizes, bought a raffle ticket or made a bid in the silent auction—as well as the Aspire Fundraising Committee who worked tirelessly to make the event a success for Aspire.

So, any ideas for fundraising activities or donations of prizes that we can raffle or auction off would be greatly appreciated.

# Aspire Committee Updates

## Fundraising

There have been two events at which some fundraising activities have taken place in May and June.

May saw the President's Lunch, at which Aspire donation envelopes were provided, raising a total of £580.

During June, the main fundraising event of Aspire's year took place: The CILT Annual Logistics Conference. The silent auction and raffle raised £2,766.

## International

Aspire's CILT International representative, Stephen Rinsler, took to the stage to promote Aspire at the recent CILT International Convention in Sri Lanka.

Aspire's international arm is currently focusing on global fundraising activities to support the UK's fundraising efforts, and is actively working to promote Aspire at an international level.

## Marketing

The Aspire Marketing Committee is delighted to welcome Simon Maris, External Communications Manager, DHL Supply Chain.

The team is focusing on promoting remaining gifted awards this quarter, with targeted email campaigns to specific CILT Professional Sector and/or Forum members.

Targeted qualifications include: Green Logistics; Global Logistics; Port Operations; Warehousing; Local Authority Passenger Transport Planning and Provision.

## Awards

The Aspire Awards Committee has had to slow down in the latter part of the year due to Aspire's huge success this year in increasing the applications it receives.

This has not affected gifted awards—many are still available this year; but it means Aspire will not support further cash awards until the new financial year begins on 1st October. 2013
