International Diploma  
in Logistics and  
Transport

**What attracted you to apply for Aspire funding?**

I was attracted to apply for Aspire funding on learning that Aspire is a charitable foundation that provides funded opportunities for education, training and development to international applicants within Logistics and Transport sector, an area of study I was very much interested in pursuing my carrier.

**What course did you apply for and why?**

The course I applied for was International Diploma in Logistics and Transport (CILT). This was to enable me acquire the required skills necessary to contribute in development of better Logistics and Transport operations which is lacking in our country.

**What proved the biggest challenge during your studies?**

The biggest challenge during my studies was that I did not have practical experience or exposure in Logistics and Transport, yet I was studying with those students who were already working in the sectors of Logistics and Transport, some of whom were unwilling in sharing data.

**What's been the most rewarding aspect of the course?**

The most rewarding aspect of the course was that, it was a team based approach and so the social element of accomplishing something together has been tremendously rewarding.

**Is there anything that surprised you about course?**

What surprised me about the course was, the hands on approach and the duration taken to complete the training.

**What new skills have you acquired as a result of the training?**

As a result of my training, I have been ably furnished with various skills among others in, Inventory Control and Management, Materials Movement, Fleet Management, and also how to win friends and influence people in business and academic world.

**Is there anything else you would like to comment about your Aspire experience?**

About my Aspire experience, all I can say is that, I am very glad and grateful indeed to Aspire, the CILT carriers foundation for giving me the opportunity to do my studies in Logistics and Transport through their funding. Aspire has made me what I am today, I can now stand to be counted among Logistics and Transport professionals.

**What advice would you give anyone considering applying for Aspire funding?**

Those considering applying for Aspire funding for education, training and development in the sectors of Logistics and Transport, surely Aspire, will make them realize their dreams.
