Level 3 Certificate in
Logistics and Transport

What attracted you to apply for Aspire funding?

I was impressed by Aspire's need to assist individuals who have a passion for Logistics and Transport but without financial capacity to pay for the cause. I was encouraged by the fact that the sponsorship was open to everyone across the world without looking at the nationality of the applicant.

What course did you apply for and why?

I applied for Logistics and Transport because I have a passion for Logistics and Transport (supply chain). I have logistics experience from the private and NGO (humanitarian field) I started at Level 3 which corresponds with my qualifications.

What proved the biggest challenge during your studies?

The biggest challenge was to balance work, studies and family. I failed to complete the course as per my plan because I was in and out of the hospital between 2012 and 2013 due to illness. This affected my studies, work and family

What's been the most rewarding aspect of the course?

The studying material was an eye opener and gave a deeper understanding knowledge of logistics and transport system. The knowledge also helped me to improve my performance at work.

Is there anything that surprised you about course?

The usefulness of the knowledge which I acquired on my daily work, it improved my performance.

What new skills have you acquired as a result of the training?

The need for drivers to have enough rests to reduce accidents to the drivers, equipment and other motorists.

How did you find the experience

The experience is very helpful in my work environment.

Is there anything else you would like to comment about your Aspire experience?

The experience has been wonderful and challenging, it gives the edge and zeal to keep on studying. I feel the selection process is very fair, transparent and is based on case by case and above all on merit. I owe my success to Aspire and wish to further my studies.

What advice would you give anyone considering applying for Aspire funding?

Aspire is fantastic and their sponsorship is open to all and everyone across the globe and all members of CILT who have financial challenges are open to apply. I testify that the selection process is fair and each applicant is given an equal chance
