Aspire throughout 2016.

Aspire has continued to grow over recent years, 2016 was no different with a great year end.

Attending CILT’s Annual Awards with great auction and donation prizes so generously donated, further success at the December’s Fellows Lunch and our first ever Silent Auction which has given a great boost to the funds we use to help people across the globe with their learning in logistics.

Aspire also had a presence at some key events attending Microlise and YPF Conferences as well as being at Multi Modal.

If you have an event taking place this year and would like to promote Aspire in any way, please contact Aspire on aspire@ciltuk.org.uk. The more we raise the more we can help people!

We want to support as many individuals as we possibly can and in return hear about the success stories of changing jobs, gaining a new opportunity or even getting a first ever job from the training or qualification you may have gained!

Aspire want to target more individuals who may be in an unfortunate position where they cannot fund a qualification or training themselves and this is where Aspire is on hand to help.

If you know anyone who could benefit please point them to the website, these qualifications are fully funded.

We will be involved with a number of events with CILT(UK) throughout the year, which is our opportunity to raise more awareness of Aspire and all of the opportunities that may be available.

Chairman

CILT Fellows Lunch 2016

More than 150 guests came together for 2016's annual Fellows Lunch held at the Radisson Blue Portman Hotel, London. During the afternoon, more than £1,300 was raised for Aspire along with two hampers awarded in a raffle.

This was a great opportunity to promote Aspire further and was a very successful afternoon.

Aspire would like to take the opportunity to thank Advanced Supply Chain, Ceewhy Vancouver and Alexir Brands for donating the two fantastic hampers and to everyone who kindly donated that evening.

The two raffle prize winners.

Timothy Waller Fund

Aspire were very grateful to receive a huge donation from Professor Alan Waller who was a Past President of CILT the Timothy Waller Memorial Award Fund.

Timothy Waller was the son of Professor Alan Waller OBE. Allan set up a foundation to provide these awards to people primarily from Africa who are not lucky enough to be able to find funding and having well educated people in Logistics and Transport is so important for a Country's economy.

This donation has gone towards helping over 10 people get funding for a qualification they may have otherwise not been able to afford.

On behalf of Aspire we would like to take this opportunity to thank Alan Waller for the funding he provided as this gave the chance for a number of people to receive life changing qualifications.

Aspire Awards Do Make A Difference

Nigel Thornton, received funding to complete his Transport Managers CPC in Road Haulage and this is how Aspire helped...

“I needed to find a way of improving my knowledge base on the industry and this funding did exactly that.

I undertook the Transport Managers CPC – Road Haulage course as I wanted to improve my transport industry knowledge, so that I can assist in helping our drivers stay compliant. My knowledge base has been greatly improved, giving me far more confidence to respond to questions being aimed at me in regards to daily logistical issues.

As I was doing this outside of work, setting the time aside to do the studying was the biggest challenge. I believe that without this funding I would probably never have had the opportunity to gain this qualification or improved my knowledge, which would have meant that I would have not been able to perform my position in the work place as effectively and efficiently as I now can.

If you have potential, go for it, that’s why they are offering this funding.”

Since Nigel has completed his qualification we have recently awarded three other members of staff within the same company training within Logistics and Transport.

We have also supported Bradley Addinall to complete his CILT(UK) Level 5 Professional Diploma in Logistics and Transport...

“I wanted to progress my career, as my apprenticeship only got me up to a level 4 qualifications in business management and I wanted to be able to progress to at least degree level.

This is where Aspire and CILT came into play, I knew I wasn’t happy at staying at that level and wanted to get more qualifications to allow me the chance of progression. Aspire helped with the funding of the course, which enabled me to continue progression, the application process was easy to follow and a huge benefit for me and my company. This has consequently aided my progression as I have been offered a higher-level job role within the company that covers more strategic processes based on the learning from my course.

I want to have the qualifications and skills behind me to be working at as high level as possible in whatever area I work in, to allow me to feel I have reached my goals and Aspire/CILT is a great way for me to achieve this.”

Following Bradley’s completion on his Level 5 Qualification, Aspire has since awarded Bradley to progress onto his CILT(UK) Level 6 Advanced Diploma in Logistics and Transport.
