CILT Level 3 Certificate in  
Logistics and Transport

**What is your current job role or situation and where are you based?**

After I have finished my level 3, I found an Assistant Manager position in a Removals company based at Hayes UB3

**What funding / course did you apply for?**

I have been financially helped with Level 3 CILT UK

**How will this support your career development?**

It's another step towards my main goal – get a Master Degree in Transport and Logistics

**What are the main learning's and how will you apply this?**

I can transfer all the knowledge obtained to my work environment.

**What skills do you now have as a result of the training?**

The biggest outcome was the National and International C.P.C., which allows me to be a Transport Manager

**What would your advice be to others looking for support from Aspire?**

Training has paramount importance in any career development. Aspire is a fantastic way to get financial help when the money is a problem to get your career forward.
