

Getting our name out there...

As you may be aware the Aspire foundation does some great work and the team have been working tirelessly to raise the profile of Aspire over the years. Aspire aims to attend key events throughout the year, often running fundraising events with some fantastic prizes donated by very generous companies and individuals. We want to continue this activity and grow, so if you want to get Aspire involved in any up and coming events or activities, let me know!

In addition to this, we need your help to get our name out there!

We need people to understand who we are, what we offer and how individuals can get funding towards a qualification , a goal that they may think is unachievable.

Aspire is **not** too good to be true, the application process is simple and we can truly change peoples lives in a very short space of time.

If you would like to get involved with Aspire, or know anyone that would benefit from funding please get in contact and spread the word today...
