

Fundraising and Gift Aid

Aspire is a registered charity which relies on individual and corporate donations in order to offer help to those individuals who need it the most. We also welcome individual or corporate fundraising initiatives.

Aspire has a committee dedicated to fundraising and the charity features prominently at industry events throughout the year, including a number of CILT events.

Whether you're aiming big or small, fundraising is a rewarding and fun way to help make a difference. Either by yourself or as part of a team, through work or in your free-time, there's a way for everyone to get involved. From a cake sale, quiz night or a sport event.

All fundraising helps for us to be able to fund those who need qualifications or training within the transport and logistics industry.

Gift Aiding a donation can make a big difference to charities!

Gift Aid is an income tax relief designed to benefit charities and Community Amateur Sports Clubs (CASC). If you're a UK taxpayer, Gift Aid increases the value of your charity donations by 25% because the charity can reclaim the basic rate of tax on your gift at no extra cost to you.

If you are interested in helping us fundraise or would like more information on Gift Aid please contact aspire@ciltuk.org.uk.

Aspire Awards Do Make A Difference

Aspire awarded Joy to complete a CILT(UK) Level 2 Certificate in Logistics and Transport...

“I was delighted to be accepted onto the CILT Level 2 course and to be supported by ASPIRE. I was soon registered on the course and promptly received my course material. I found my name on every page of the course books, which I think is a very encouraging personal touch. It was not long before my CILT Learners’ members card arrived. I announced myself to my tutor on 15th March 2017 by sending him a short summary about myself. I found the Welcome Pack and Study Guide very useful and I paid particular attention to the suggested study activities having been away from study for some time.

My next step was to go through all the correspondence and documentation and create a summary of all dates, contacts, addresses, membership details, schedules and links relevant to me. I created folders in my laptop for CILT bulletins, FOCUS Magazine and Events. Since I find the CILT colours very attractive I bought notebooks and folders in mauve in which to file CILT communications, information and my notes. This way I just reach for the familiar colour and I have what I am looking for.

On 31st May I took the opportunity to participate at a CILT event offered by a leading global provider of innovative and fully integrated supply chain solutions called Kuehne and Nagel in Dagenham.. In the meantime I have submitted my answers to the tasks in Module 1 to my tutor and I am looking forward to another event at the London Bus Museum in Weybridge.”

Joy is currently working through the Level 2 Qualification well and we look forward to her completing.
